

MANDRARE RIVER CAMP

The camp is situated on the banks of the Mandrare River, nestled under the shade of Tamarind Trees. The River is the lifeblood of the region and sustains the close by Antandroy village of Ifotaka and its sacred ancestral forests. The Spiny Forests found around the camp are unique to the Southern region of Madagascar and forms an important part of this region's ecosystem and the wildlife adapted to this environment.

ACTIVITIES

The activities at Mandrare River camp is focused on Wildlife, Culture and Conservation, our guides adapt the activities to the fitness level and interests of the guests:

- Guided Forests Walks in search of Lemurs, Chameleons and birds.
- Guided Night Walks, discovering the nocturnal species of lemurs.
- Visit to the Market in Ifotaka and other local villages
- Cultural tour of the Sacred Forest with the Antandroy Tombstones.
- Sundowners at various beautiful locations. (The River bank, the Baobab Forest)
